## Software Developer

+27 83 607 4363

@ noah.erasmus@gmail.com

<https://www.linkedin.com/in/noah-erasmus/> Johannesburg, SA

## SUMMARY

Full Stack Developer with 4 years of experience in NextJS, Typscript and Django. Frontend development is my bread and butter, having studied a Bachelor of Interaction Design. I enjoy making use of my experience in motion design to create engaging interfaces, mostly through the use of GSAP. With that being said, my skillset has grown to encompass backend development as well, driven by the needs of a small team and the evolving demands of the industry.

## EDUCATION

### Bachelor of Interaction Design

#### The Open Window Institute

2019 - 2021 Centurion, SA

### Bachelor of Commerce (PPE)

#### University of the Witwatersrand

2016 - 2018 Johannesburg, SA

## EXPERIENCE

### Software Developer

#### BIGBrave Digital
